IV. March Event

- b. For the trivia event, we will stream it over Teams. Since we will use the Kahoot app for Trivia, they can join remotely.

V. April Event

- a. This event will ultimately depend on what the online students want. However, we currently have two ideas for the event.
- b. One idea would be having a lecture/guest speaker give a presentation on Easter.

- c. Another possibility would be to stream a movie related to the Resurrection and then have a follow-up discussion.

VI. Scrap Book

- a. We will begin work on the scrapbook this weekend through a shared PowerPoint document.
- b. The goal is to begin gathering the materials for the scrapbook. A theme and the page designs will be decided later.
