

February 17th, 2021

I. Opening prayer

- a. Prayer requests

II. February Event Feedback

- a. People were very excited about the online option for participation because a lot of online students have been unable to participate before.

III. March Trivia Event

- a. Due to COVID restrictions, we will need to have the event approved before we can book a room. We will plan an in-person event, and if that does not work then we will have the event over Teams. It will most likely be on Teams.
- b. There will be two polls sent out, one to gauge how many people will come and a second to determine what trivia categories we will be using.
- c. The Secretary will draft an email for the Trivia night event.

IV. March Speaker Event

- a. This will be an event held in late March.
- b. Professor Hart has several connections that could help us secure speakers from the Career Center, Financial Literacy Center, the International Students Center, and other locations. He could also ask the provost to speak for ALD or he could give a lecture on a variety of subjects.

V. Food Drive Event – April

- a. Dr. Lockridge reached out to us about working with them on a food drive in April. They will still accept snack donations. He can also provide us with promotional material we can print out and post around campus.

VI. Members

- a. Some members were asking about the event attendance records. Mrs. Kline and Professor Gadomski probably have access to this information. We will contact them so they can respond to student questions.
- b. Professor Hart will be updating the CASAS ALD webpage with more information. This will make sure that there is more information available about ALD for people interested in our organization. There is also the possibility of adding additional contact information to the website so interested parties can contact current ALD officers with their questions.

VII. Closing Prayer
